# FACTUAL TIDBITS

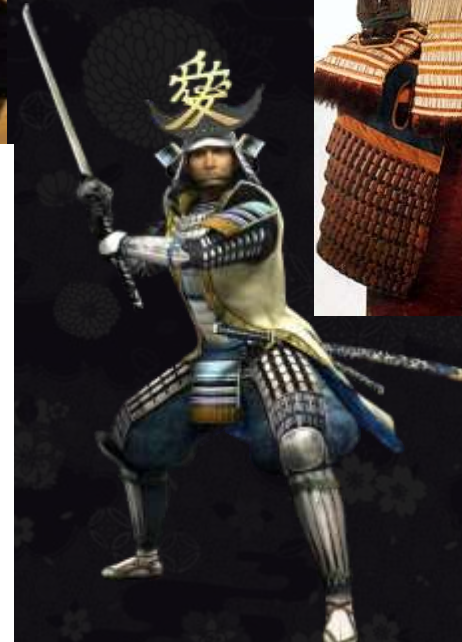

- Takeda & Kenshin were actually friendly rivals in real life
- It was super ambiguous –more so than usual- about Kenshin's true gender
- It is rumored that Ishida & Yoshitsugu were lovers
- Also, Otani did in fact have leprosy & was usually covered in such a way to hide his ailment

- The whole Tenkai may be Akechi Mitsuhide is a real legend
  - Since Tenkai was so mysterious & certain things he did lead some to believe he was in fact Akechi
- Sarutobi Sasuke is a *real* Japanese legend from the Sanada 10 myth & lore but is not a real life person; Fuma Kotaro, however, is
  - & it's believed by some to be a title passed down vs. one single individual

- Some daimyos/samurai seemingly ridiculous outfits are based on the actual armor
  - Date, Tadakatsu, & Naoe

- Hideyoshi Toyotomi did have the nickname “Kozaru” (little monkey) given to him by Oda Nobunaga
- Saika Magoichi in life was a male
  - Which is why I find it clever she takes on her late husband’s name vs. a gender-flip version of him
- There is a famous legend where Miyamoto Musashi defeated & killed Sasaki Kojiro with a bokken allegedly carved out of an oar

- 1<sup>st</sup> off, senryu

- Japanese form of short poetry similar to haiku in construction
- 3 lines with 17 or fewer total ‘morae’/“on” (*more or less* translates to syllables)
- Tend to be about human foibles while haiku tend to be about nature
- Often cynical or darkly humorous while haiku are more serious.

# There's This Famous Senryu...

- Nakanu nara, koroshite shimae, hototogisu (If the cuckoo does not sing, kill it)
- Nakanu nara, nakasete miyou, hototogisu (If the cuckoo does not sing, coax it)
- Nakanu nara, naku made matou, hototogisu (If the cuckoo does not sing, wait for it)

- Each line refers to one of the Daimyos that unified Japan
  - Oda Nobunaga, Toyotomi Hideyoshi, & Ieyasu Tokugawa
- This is executed surprisingly well in this series (of all series)
  - Honestly, probably one of the most “factually accurate” (as far as certain events, relationships, & characters’ personalities) Sengoku era based anime out there considering the over the top nature...wtf
