Need to Knows

- Panel will be available online as well as a list of all my resources
 - On my blog
 - Will upload .pdf of PowerPoint that will be available post-con
- Contact info./handouts
 - Take a business card/handout before you leave
 - Especially if you have ANY feedback
 - Even if you leave mid-way, feel free to get one before you go
- If you have any questions left, feel free to ask me after the panel or e-mail me

How It's Going to Be...

- For every arc, I do a super quick, super basic summation (accompanied by a crapload pics), then everyone else can add in their own things, move the crap on rapidly, rinse & repeat
 - i.e., *everyone* gets a chance to talk
 - So, none of that “anime expert” / “I know more than the panelist” b.s.
- Important mindset to have: Bleach is an ongoing train wreck you can never look away from

You can never
have too
much
Grimmjow
>.<

Or Ichigo
getting the
crap beaten
out of him >>

SO LET'S GET STARTED~!

& may kami-sama help us all ~.~;

Hollow Ichigo

Some Interesting Things w/ the Pilot Ch.

- Ichigo's hair is colored black on the cover
- After giving her Shinigami powers to Ichigo, Rukia shrinks in size.
- Orihime dies and is taken to Soul Society at the end of the chapter.
- Instead of performing konsō, souls are given a ticket to enter Soul Society. The concept of tickets is reintroduced in chapter 546 of the manga.
- Hollows do not have masks.
- Ichigo's shihakushō has a star pattern under both its sleeve, while Rukia's has a flame pattern.
- Ichigo's Zanpakutō is the size of a standard Zanpakutō.
- Orihime's father, who had died three years before Orihime's death, arrives to take her to Soul Society. Rukia identifies him as a Hollow and reveals that he killed Orihime so that she would stay with him forever, because she had stopped praying for him and seemingly forgot about him. He is then defeated by Ichigo. This concept was later adapted into the official, with the character of the father being replaced by Orihime's brother, Sora Inoue.
- Rukia is a member of the 3rd Division.
- The Kurosaki family runs a mortuary rather than a medical clinic.
